ABOUT RÉNU

Rénu is humbly established by Christophe Glorieux' intuitive passion for personal interiors and interior items with a story. His aim is to add comfort and joy in a space with handpicked objects that radiate life. Original and authentic, bringing value to your home or professional environment. His sincere intention is to grasp and project personality to an interior, with the result of a joyful, comforting and warm place to be in.

The Gallery in Knokke-Heist serves as an open showroom blending together with art from Dauwens-Beernaert Gallery. His renovated barn studio in Drongen is open on appointment to meet for advice or discuss projects with a more personal approach.
